Our **Students**, we love seeing you at the studio every week. Thank you for allowing us to share our love for dance with you. We enjoyed watching you grow as dancers and as friends this year.

Moms & Dads, thank you for sharing your children with us, for your ongoing support and encouragement and your many trips back and forth to the studio.

TDP Dance Company, Your hard work and dedication all year resulted in an amazing competition season. Congratulations!

Recital Volunteers, our show could not run without you! Every minute of your time is so very appreciated.

My daughter, **Sarah**, your love and passion for TDP is evident in the time you selflessly devote to your students in class, rehearsals and private lessons, not to mention the hours you spend behind the scenes coordinating class schedules, competition schedules, show schedules, and the many, many tasks needed to keep our studio running. Your commitment to TDP is invaluable and so very appreciated.

Eileen Mallary, for going above and beyond with so many different and unique studio projects, including the fabulous TDP Hip Hop Crew. You are always willing to jump in and share your knowledge and talent with the TDP Dance Company and the studio. I am grateful for all the different studio hats you wear!

Kristina Creager, for jumping into the season with enthusiasm and sharing your knowledge and experience with the TDP Competitive Team each weekend and helping them prepare for the competition stage.

My mom, **Mary Ann**, for giving so much of her time, energy and love to our studio and always being our #1 fan. She is always there, ready and waiting for action, willing to help me, the teachers and all of our dance families. There is NO ONE like you, Mom!

My husband, **Steven** and my son, **Joey**. Thank you for all of your support behind the scenes and for being ready and able to help with various tasks, sometimes at a moment's notice.

TDP Studio Spirit Wear by Joey Gomez & Cllctd. Co.

Doug Dienelt for your amazing photography and gorgeous recital photos.
